

LEADERSHIP COMMUNICATIONS ESSENTIALS WORKSHOP

COMMUNICATIONS

Innov8 Communications is a recognized leader in providing individuals with the communication aptitude needed to lead, influence, and inform others.

CONDENSED RECAP ON WHY MANAGEMENT SOMETIMES FAIL

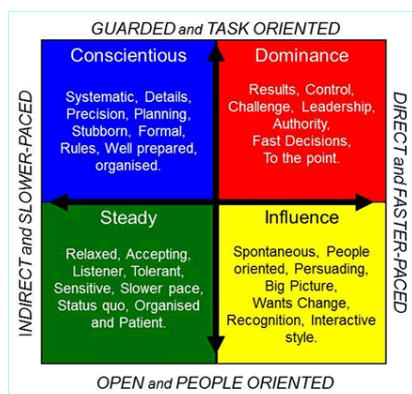

- Over reliance on Managerial Power to Get Things Done (My Way, Status Quo-How Things are Done Around Here)
- Poor Communication Skills and Lack of flexibility
- The Danger of Assumptions- Unclear Directives and Expectations in Communication
- Communication Breakdown- Poor Listening Skills, Poor Delegation, Poor Prioritization
- Communication Challenges in Creative Problem Solving and Inappropriate reliance on Systems
- Poor Management of Organizational Communication Energy

COLLABORATIVE NATURE OF WORKSHOPS

Our highly interactive workshops involve one-on-one and small groups coaching in the central competencies of presentation skills, persuasive and engaging communication, and maintaining a professional image in a results-driven setting. These hands on and engaging approach offers a competitive edge by providing you with the skills to consistently lead, influence and inform others.

MAXIMIZING COMMUNICATION CAPACITIES

Enhancing effective communication capacities of your team to maximize relationships and increase productivity. Offer your team a leadership practices and behavior inventory to learn about their styles, use interactive simulations and skill building exercises to increase capacities to handle diverse communications scenarios and situations.
